June 2026 Edition

Hello fellow Cruisers

We had a great turnout for the recent Senior Center Classic Car Visitation Cruise-Ins at Allegro and The Blake. It was a great way to spread some joy coming into Father's Day Weekend. Thank you to everyone who attended.

To all those who came to our June business meeting, thank you. I appreciate your support. Slow going through the summer months. We don't have a planned activity or Sponsor Cruisn' until September. Try to stay cool & enjoy the beach.

I know our Annual Car Show for 2027 is months away, but I'm going to start asking now: We need someone to volunteer to be the chairperson for our next show. Roy did such a great job of setting up a format that it's easy to follow. I will not leave whoever volunteers alone to do this. I will be glad to be your assistant. The biggest job is to delegate each job, such as tending the gate, heading up the registration table, counting votes, etc. Most of the people who did these jobs will more than likely agree to do it again. I will still take care of getting trophies & head up selling of ads for the calendar. You will need to have a couple of meetings prior to the show, just to check in with all the chairs of each committee. It's a great chance to get together & have a meal. After all, we are just a foodie club that happens to like classic cars.

Hope to see all of you along the way,

Gary
SAC President

EVENT RECAP

Senior Center Classic Car Visitation Cruise-In

BOARD MEETING HIGHLIGHTS

June Board Meeting Minutes at a Glance

Treasurer's report was unanimously approved with total funds on hand of $17,116.75, including $10,089.73 in the operating account and $7,027.02 in savings.

Club leadership also reported that membership renewals continue to come in steadily. Members reviewed the successful Oasis cruise-in held in May, which drew strong participation from both St. Augustine Cruisers and Palm Coast Cruisers. Based on the positive response, plans are underway to schedule another Oasis event later this year.

The club announced that the annual Poker Run has been scheduled for November 8, 2026. Gary Hare also requested a volunteer to serve as chairperson for the 2027 Car Show, noting that support and guidance will be provided throughout the transition.

Members discussed upcoming Father's Day cruise-ins at Allegro Senior Living on June 18 and The Blake Senior Living on June 19. The club also discussed future social activities, including another miniature golf outing later this year.

Additional discussion included potential sponsorship opportunities, including interest from Turbo Finishing, a mobile body repair company. Members also shared updates on ongoing restoration projects and discussed proposed E15 fuel legislation and its potential impact on classic and collector vehicles.

UPCOMING EVENTS
